Mobile A1 Trolley 1070mm High

SIZE	MODEL
A0	1000 Holds 12 clamps (approx 1200 sheets) 2000 Holds 22 clamps (approx 2200 sheets)
A1	1000 Holds 12 clamps (approx 1200 sheets) 2000 Holds 20 clamps (approx 2200 sheets)

Planhorse Mobile Trolleys offer greater strength, space saving and filing capacity than other systems

Planhorse®

GENUINE LOAD TESTED TROLLEYS

PLANHORSE - Genuine Load Tested

Planhorse fully warrants the strength of its trolleys when correctly assembled in accordance with the instructions and used for the purpose for which they are designed.

Manufacture Detail

Trolleys and wall racks are made of steel, powdercoated in epoxy white and charcoal paint and are supplied in flat carton packs ready for assembly.

Warning - Trolley Quality and Strength

Trolleys said to hold 20 clamps or more must be strong enough to safely carry over 250kgs when fully laden. Unbranded and untested trolleys are often inadequate, and could collapse causing possible extensive personal injury and property damage.

500 WALL RACK - 5 Clamps 1000 WALL RACK - 10 Clamps

Hold clamps of any size and file up to 500 or 1000 sheets, parallel to the wall. Racks can be assembled for left or right access.

2000 WALL RACK

This unit holds 2000 sheets on 20 clamps of any size. This unit, due to its large capacity is mounted at right angles to the wall.

UTILITY

This single B1-841mm clamp comes with a wall clip which enables it to be hung on the wall. Holding 100 drawings it is ideal for the construction site or home environment.

PARTITION BRACKET

No screws needed. The 500 Wallrack hangs on free standing partitions. Standard partition width 50mm. Hanging level 355mm from partition top. Special hanging levels and widths custom made. These hold 5 clamps of any size.

PLANHORSE®

FILING SYSTEMS

Used on construction sites, in design and drawing offices, in Engineering, Manufacturing and Utility Industries, and at Property and Maintenance locations.

Quality Endorsed Company

Ideal for handling plans, construction drawings, charts, maps, posters, schematics, wiring plans and maintenance schedules etc.
